

DX100 & LV100

4"/100mm axial fans complete with fitting kit

A comprehensive range of compact and easy to install single speed fans. Suitable for a wide range of applications including bathrooms, shower rooms and toilets.

All DX and LV fans come complete with a universal fitting kit (wall tube, gasket x 2, outer grille and skirt moulding for window) suitable for wall, ceiling or window mounting in single glazing up to 6mm. LV100 models offer complete peace of mind as they are specifically designed to be installed directly in or over the splash area zone 1 in complete safety.
