

Simply Silent™ DX150DC

6"/150mm axial extract fan range

The Simply Silent™ DX150DC intermittent extract fan range is designed for those looking for something conventional, with a modern twist. These fans control humidity, odours and mould growth effectively in kitchens, utility rooms, larger bathrooms and individual offices. Suitable for both wall and ceiling fitting. The DX150DC range has two speeds, selectable at install.

ANCILLARIES

We recommend the 150mm Inside Fit External Wall Kit to allow fuss-free fitting from the inside.

Fold the outer grille.

Push through the wall tube.

Open up the outer grille.

Pull back on the string to secure to the outside wall.
