

Built-in

Faber built-in gas fires are a statement in themselves. First and foremost because of a fabulously burning fire and the most beautiful finish with life-like decorative logs or modern pebbles. In addition because of the top-quality choice of materials that guarantee years of safe and problem-free enjoyment. Particularly when you operate the fire remotely with a control unit or from your own smartphone.

Faber gas fires are available in a surprising number of versions, dimensions and finishes so you can choose what is best suited to your taste and interior decoration. The Faber specialist is there for you throughout the entire process!

Did you find your favourite Faber fire? It will be built, set and tested by Faber, specifically for you, before we deliver it to the Faber specialist who will install it in your home.
