

Cavalli

The Cavalli electric suite is a stylish and complete offering from Dimplex. A focal point for any space and any interior design, the suite incorporates the realistic flame effects available from the Engine Opti-myst® range, in a beautifully finished white surround. The (optional) mirrored back panel offers a stunning backdrop to the fire. The fire can operate via a remote control and can even be used independently of the fully concealed 2kW heater, meaning you can enjoy the classic feel of the fire all year round. (Note: engine not included)
