

# Opti-V 360°

## Opti-Virtual

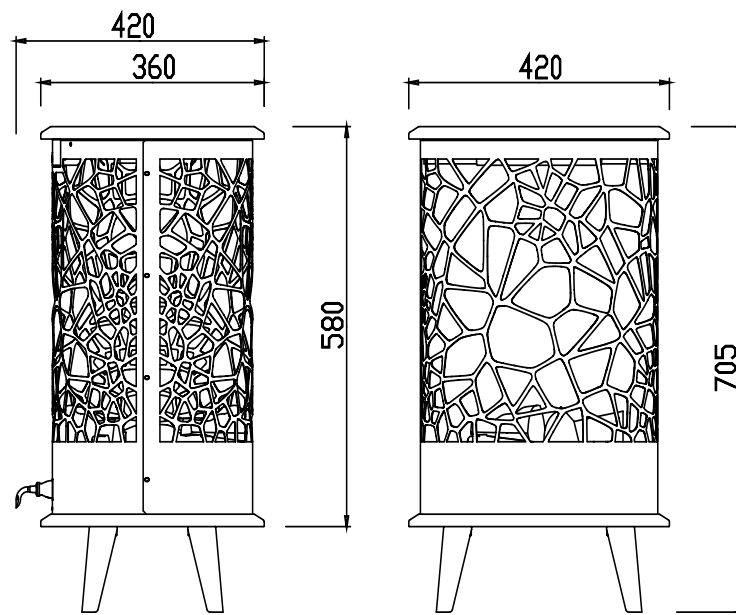

With its striking and uncompromising design, the Opti-Virtual® 360 can already be regarded a modern classic. Its authentic flame effect radiates to all sides, and will catch you with realistically flickering flames, jumping sparks and the sound of a crackling wood fire. Its timeless skin pattern is not only distinct by itself, it produces an even more amazing ambiance by night. In short: this fireplace is a striking decorative element for your home. Easy to install and convenient to set and operate with the remote control.

### USP's

- Real fire footage displayed on a High Definition LCD screen
- Flames and sparks jumping and flickering amongst the LED logs that sporadically spark
- Lattice frame creates stunning visual effect
- Crackling logs sound effects with adjustable volume
- Can be displayed with or without legs
