

Romero

Optimyst®

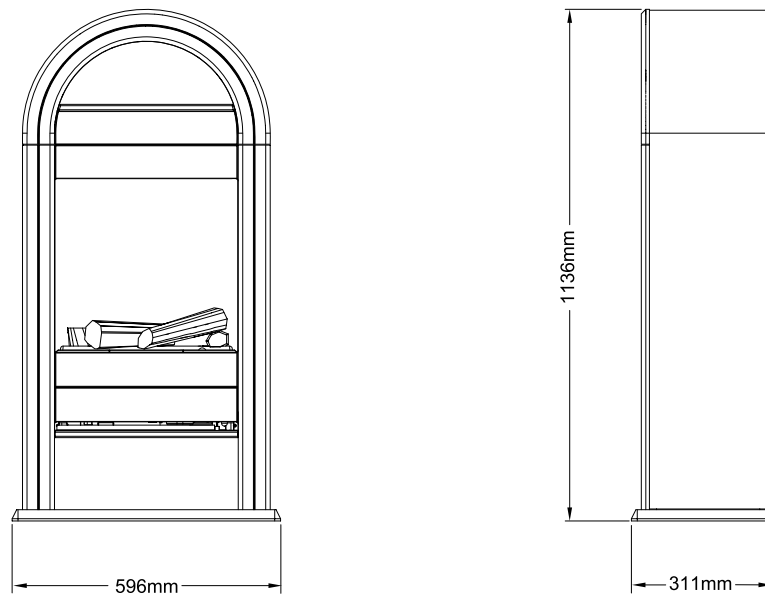

The stove-like design of the Romero combines modern round shapes, colors and materials with a rustic log fire, which goes well with timeless and modern interiors. Its slender design makes it especially ideal to enrich smaller rooms. The superior Optimyst® flame effect is lively and ever-changing, with a heater to warm you, plus a comfortable remote control.

USP's

- Nordic styled fireplace with a log storage compartment
- The use of anthracite metal sheet gives the fireplace a solid appearance
- Storage compartment on top for decoration
- Optional: Mirror back panel for an even more intense fire experience
