# Vivente

Revillusion®

The latest of Dimplex's electric fires with Optiflame® technology can be experienced in the luxurious and all new Vivente models. First of all by its renewed and improved flame effect over realistically glowing logs. Also, there is a choice of ambient light colors to suit your style, plus no les than 4 different back panels to match with most interiors. Smart operation and heating features make it more easy than ever to enjoy the best of this fireplace at any moment of the day or year. All of which can be controlled over a premium remote control. Available in 3 sizes, in front-, 2- or 3 sided layout.

USP's
- Comes with four fire liner backings giving the opportunity to pick the perfect fire: Black Vermiculite Tile Effect, Black Metallic Ribs, Smooth Metallic Black and Rugged Stone Cladding
- SmartSense: Built for convenience this technology detects when the room is occupied and automatically switches the flame effect on in the evening, while it also switches the product off when it detecs an emty room to save energy
- ComfortSaver: With up to an 11% energy saving over traditional heaing systems. It adjusts to maintain a precise room temperature, resulting in lower running costs and a more comfortable room temperature
- With HD anti-reflective glass and real flame crackling sounds
